

Dear Parents:

Our Memory Verse this week:

"And Jesus... was moved with compassion... and healed the sick."
Matthew 14:14

Today we discovered:

- Compassion is a mighty force
- Jesus was moved with compassion to do miracles
- Compassion brings God's love and power together to help people
- We can use God's compassion to bring Heaven to earth

Parent's Points to Ponder:

Our Heavenly Father wants His children to have everything His Son, Jesus, had to be able to complete their "Royal Mission". When Jesus saw people who were hurting, He was moved by a powerful force called compassion. This force brought God's love and power together and released the anointing on Jesus to do amazing miracles. As your children receive this powerful force of the Father's love, they too will be able to bless people and bring God's Kingdom of Heaven to earth.

Ask Your Child:

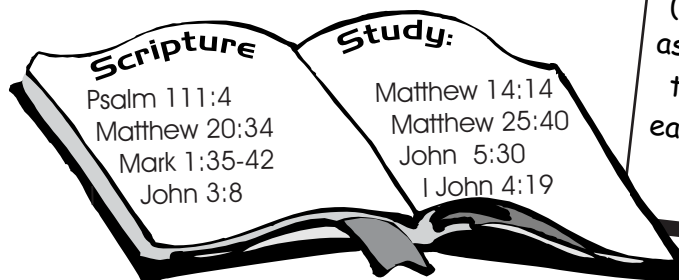

What was put into the Backpack? (a dump truck). What does compassion bring? (God's love and power) What does God's compassion release? (God's anointing to do miracles) How did Jesus become full of compassion? (He spent time with His Heavenly Father)

Soaking Time:

Take a few minutes to sit quietly (you can add some soft music) and ask Papa God to pour out His compassion on you. Ask Him to show you someone who needs to know His love and compassion.

Home Activity:

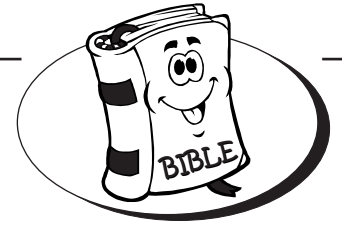

After spending a time receiving from God, invite your family to write down the names that God has "highlighted" to them. Write these names in a journal. During the week reach out to those God has shown to you. Journal what happened when you ministered.

A Parent's Blessing:

(Your child's name), I bless your spirit to be a vessel that would be continually filled and moved with God's compassionate love. I agree with your Papa God, that you see and feel what He sees and feels for those who hurt and need His touch of love and power.

(Your child's name), I bless you as the Father delights in your desire to bring His Kingdom of Heaven to earth. I speak these words into your spirit. In Jesus' name. Amen
