

Dear Parents:

Our Memory Verse this week:

Pray without ceasing." I Thessalonians 5:17

Today we discovered:

- We have an open invitation to come to the Father and pray
- Papa God loves to answer our prayers with good things
- We get to pray for the things in Heaven to come to earth
- Our powerful prayers are like lightning bolts from Heaven

Parent's Points to Ponder:

As God's Kids, we have an open invitation to come boldly before Papa's throne and pray. It is out of an intimate relationship with Him that we get to bring, through prayer, His Kingdom to earth. Because our children have been given faith, power and authority, they can pray "power" prayers that will bless other and destroy the works of the devil. It so pleases the Father when He sees His Kids pray and bring "lightning" from Heaven!

Ask Your Child:

How is prayer like lightning from Heaven? (It destroys the works of the enemy) Can we come any time to the Father and pray? (Yes) What are some of the things we can bring from Heaven to earth? (Peace, healing, joy, freedom) Who shows up when we pray the prayer of agreement? (Jesus)

Soaking Time:

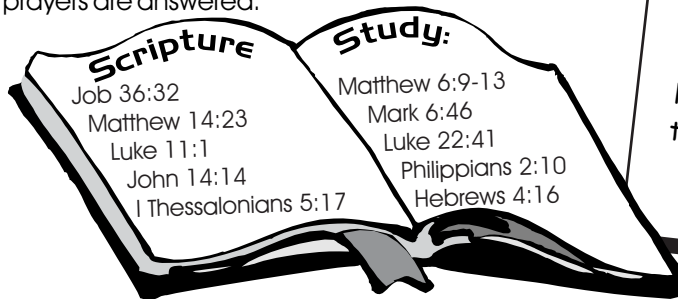

In a soaking atmosphere, have your child begin to praise and worship the Father. Thank Him for:

- All the things He has given and done for us.
- Tell Him how great He is, that there is no one like Him.
- Let Him know how glad you are that He is your Heavenly Papa.
- That you can come boldly to His throne and pray anytime.
- That He has invited you to pray for Heaven to come to earth.
- Jesus has given you faith, authority and power.
- Thank Him that you get to be a mighty prayer warrior.

Let your child soak and receive in the Father's presence. After awhile share prayer requests, and then pray for each other. Ask God to show, or "highlight" people you can pray for.

Home Activity:

During the week discuss with your family those who were highlighted. Write their names on a piece of paper and begin to pray God's blessing upon them. Post the names on the bulletin board and tack a small lightning bolt on each one as the prayers are answered.

Parent's Blessing:

(Your child's name), I call upon your spirit that you will walk as a child of the King and as in I Thessalonians 5:17, to pray without ceasing.

(Your child's name), I bless you in your relationship with the Father, that you come before Him boldly, for He has made you worthy to receive from Him. I agree with God that your prayers are mighty, breaking the works of the enemy, and blessing others with the Father's love. I rejoice with our Papa that you are so effective in "bringing Lightning down from Heaven."
In Jesus' name. Amen.
